

Larkin Community College
Coláiste Pobail Lorcáin

16th April 2021

Dear Parent/Guardian

A confirmed case of COVID-19 in Larkin Community College has been notified to the Department of Public Health HSE.

A public health risk assessment has been undertaken and the staff and parents/guardians of any children deemed to be close contacts of the confirmed case have been contacted and advised accordingly.

If your child is not identified as a close contact, your child does not need a test for Covid-19, they can continue to attend school, and no further actions are required at this time.

If your child develops any symptoms suggestive of Covid-19 infection (such as a cough, a fever, sore throat, shortness of breath/ breathlessness, loss or change in sense of taste or smell), please do NOT send your child to school, contact your GP and begin restricting your child's movements, as per public health advice.

Restricted movement means avoiding contact with other people and social situations as much as possible. It is also sometimes called 'self-quarantine'.

Further information on COVID-19 is available at: www.hse.ie

A suite of translated resources are available on the hse.ie website [COVID-19 translated resources - HSE.ie](#)

Yours sincerely,

Thomas Usher
Principal
