

P-TECH™ Student Mentoring

Introduction

WHAT IS MENTORING?

Connect with industry pros from your P-TECH partners, get support for your future goals, and see how classroom learning applies in the real world. P-TECH mentoring helps you understand your strengths, explore new opportunities, and build valuable networks.

Benefits of having a mentor

1

Gain real-world insights and career advice

2

Build valuable skills such as communication & team work

3

Expand your professional network

4

Get guidance & feedback from an industry professional

What to expect...

1:1

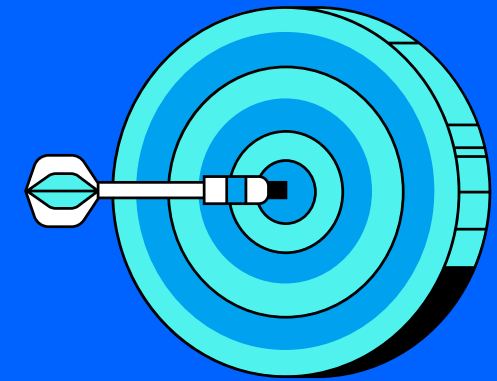

One-on-one mentoring
sessions

SAFE

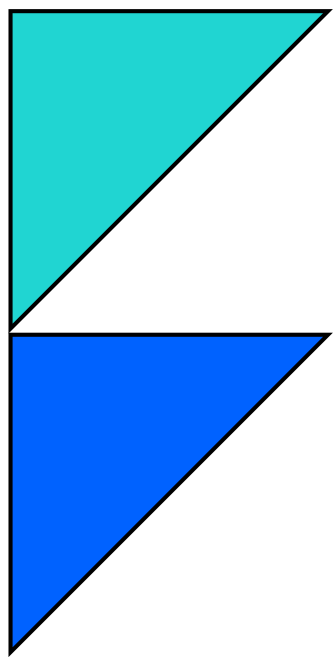

A safe space to ask
questions and seek advice
about careers
